Drawbar finder

JOST Innovative Solutions – The Next Steps

Combining existing know-how to develop an intelligent scalable platform for transport and agricultural systems

KKS: Automatization
TRIDEC: Smart steering
QCS: Learn repetitive tasks
DB finder: Communicate

Autonomous systems able to learn, predict and decide

One scalable platform as interface between JOST components and customers' applications

JOST's Way Towards Autonomous Commercial Vehicles

JOST is working closely with OEMs to develop autonomous solutions

JOST's proven expertise with mechatronic systems makes us a partner of choice for joint developments with customers

JOST is currently field testing prototypes for autonomous docking solutions with OEM customers

Know-how from existing products build the base for future JOST's autonomous systems in agriculture and transport

Driving Innovation – Executive Summary

Disruptive industry trends are accelerating the pace of innovations

Autonomous systems will become key success factors to increase efficiency for fleets and farmers

JOST is leading its segment and closely working with customers to develop the right solutions and drive innovation further

JOST will remain the partner of choice for customers through the ongoing industry transformation both in transport and agriculture

THIS PRESENTATION IS CONFIDENTIAL AND MUST NOT BE RELEASED, PUBLISHED, TRANSMITTED OR DISTRIBUTED, IN WHOLE OR IN PART, DIRECTLY OR INDIRECTLY, INTO OR WITHIN THE UNITED STATES OF AMERICA, CANADA, AUSTRALIA, JAPAN OR ANY JURISDICTION WHERE SUCH DISTRIBUTION IS UNLAWFUL.

This presentation (the "Presentation") was specifically prepared by JOST Werke AG (the "Company") for informational purposes only. It is intended to provide a general overview of the Company's business and does not purport to include all aspects and details regarding the Company. This Presentation must not be reproduced in any form, passed on or otherwise made available, directly or indirectly, to any other person, or published or otherwise disclosed, in whole or in part, for any purpose, without prior written consent by the Company. Neither the Company nor any of its directors, officers, employees or advisors, nor any other person makes any representation or warranty, express or implied, as to, and accordingly no reliance should be placed on, the fairness, accuracy or completeness of the information contained in the Presentation or of the views given or implied. Neither the Company nor any of its respective directors, officers, employees or advisors nor any other person shall have any liability whatsoever for any errors or omissions or any loss howsoever arising, directly or indirectly, from any use of this information or its contents or otherwise arising in connection therewith.

This Presentation is neither an advertisement nor a prospectus and does not, and is not intended to, constitute or form part of, and should not be construed as, an offer to sell, or a solicitation, invitation or inducement to purchase, subscribe for, under-write or otherwise acquire any securities of the Company, nor should it, or any part of it, form the basis of or be relied on in connection with or act as any inducement to enter into any contract to purchase or subscribe for any securities of the Company, nor shall it, or any part of it, form the basis of or be relied on in connection with any contract or commitment or investment decision whatsoever. This Presentation and the information and opinions contained therein are selective in nature and do not purport to contain all information that may be required to evaluate the Company and/or its shares. The information and opinions contained in this Presentation are provided as of the date of this Presentation and may be subject to updating, revision, amendment or change without notice. Neither the Company nor any of its directors, officers, employees or advisors are under any obligation to update or keep current the information contained in this Presentation or to correct any inaccuracies in any such information which may become apparent or to provide any additional information whether as a result of new information, future events or otherwise.

This Presentation contains forward-looking statements relating to matters that are not historical facts. These statements reflect the Company's current knowledge, intentions and beliefs as well as its current expectations and projections about future events, including the Company's prospects, growth, strategies, the industry in which it operates and potential or ongoing acquisitions. Forward-looking statements can be identified by the context of such statements or words such as "anticipate," "believe," "estimate," "expect," "forecast," "intend," "plan," "project," "target," "may," "will," "would," "could" or "should" or similar terminology. By their nature, forward-looking statements are subject to a number of risks, uncertainties and assumptions, many of which are beyond the Company's control, that could cause the Company's actual results and performance to differ materially from and adversely affect any expected future results or performance expressed or implied by any forward-looking statements as a result of various factors (including global economic conditions, changed market conditions, competition, costs of compliance, changing political, legal, economic and other conditions). Forward-looking statements should not therefore

be read as guarantees of future performance or results and will not necessarily be accurate indications of whether or not such results will be achieved. Similarly, past performance should not be taken as an indication of future results, and no representation or warranty, express or implied, is made regarding future performance. In addition, even if the development of the Company's prospects, growth, strategies and the industry in which it operates are consistent with the forward-looking statements contained in this Presentation or past performance, those developments may not be indicative of the Company's results, liquidity or financial position or of results or developments in subsequent periods not covered by this Presentation. The Company undertakes no obligation to release the results of any revisions to any forward-looking statements in this Presentation that may occur due to any change in its expectations or to reflect events or circumstances after the date of this Presentation.

To the extent available, the industry and market data contained in this Presentation is derived from third-party sources. Third-party industry publications, studies and surveys generally state that the data contained therein have been obtained from sources believed to be reliable, but that there is no guarantee of the accuracy or completeness of such data. In addition, certain information in this Presentation is selective and may not necessarily be representative for the Company. Further, some of the industry and market data contained in this Presentation is derived from the Company's own internal research and estimates based on the knowledge and experience of the Company's management in the market in which the Company operates. While the Company believes that such research and estimates are reasonable and reliable, they, and their underlying methodology and assumptions, have not been verified by any independent source for accuracy or completeness and are subject to change without notice. Accordingly, no reliance should be placed on the industry or market data contained in this Presentation.

Subject to limited exceptions described below, the information contained in this Presentation is not to be released, published, transmitted or distributed within or into the United States of America ("United States"), Australia, Canada or Japan and does not constitute an offer of securities for sale in any of these jurisdictions. Any securities offered by the Company have not been, and will not be, registered under the U.S. Securities Act of 1933, as amended (the "Securities Act"), or the securities laws of any state or other jurisdiction of the United States and such securities may not be offered or sold within the United States, except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state or local securities laws. This Presentation does not contain or constitute an offer of, or the solicitation of an offer to buy or subscribe for, securities to any person or in any jurisdiction to whom or in which such offer or solicitation is unlawful. Any failure to comply with these restrictions may constitute a violation of applicable securities laws.
